2017 SC Secretary of State Angel Award

Over 90% of our donations go directly to client services!

Chapin We Care Center has served our neighbors in need for over 31 years. We are best known for our food pantry, and with good reason. In 2017, we were able to serve 7,607 people (16% increase over the previous year) 362,002 pounds of food (46% increase) valued at \$761,519 (27% increase). We are extremely thankful that as clients' needs have grown, our ability to meet those needs has grown as well. We are a high volume food distribution ministry, most pleased to provide food to hungry people. But we are more than a food pantry.

In addition to food, we also provide utility assistance, paying nearly \$80,000 last year for electricity, kerosene and gasoline. We also work with local thrift stores to provide vouchers for basic household needs. We host Good Samaritan Medical Clinic bimonthly and have expanded hours to every Thursday afternoon to better serve our clients.

Our Literacy Lab provides a free book to every child on every visit, and our Computer Lab is also available to clients. In addition, we provide nutrition classes, job training classes, yoga classes, and special events like tax clinics, holiday programming and client outreach.

We encourage you again this year to get your church's team together as we will award the **We Care Sticky Open Pastor's Trophy!** Chapin United Methodist Church and Our Lady of the Lake – who's next?!

This year's 16th annual Sticky Open tournament will likely once again be our most important fundraiser, and we appreciate your participation. **Thank you in advance for your generous support of this great ministry so vital to community outreach in Chapin!**
