Over 90% of our donations go directly to client services!

SC Secretary of State Angel Award winner Chapin We Care Center has been serving Chapin and the surrounding areas for over 35 years. We are best known for our **food pantry**, and with good reason.

Throughout the pandemic, we have been committed to serving our clients, not missing a single day of service! In 2021, we served nearly 7,000 individuals almost 500,000 pounds of food valued at nearly **\$1,200,000!** We are pleased to provide nutritious and abundant food to hungry people, both at our center and to thousands more every year at our **mobile distributions** in Newberry County. But we are more than a food pantry!

In addition to food, we also provide **utility assistance**, distributing nearly \$75,000 last year in vouchers for electricity, kerosene and gasoline. We also work with local **thrift stores** to provide vouchers for basic household needs. We also offer academic and trade **scholarships** to our clients and their children! We host the **Good Samaritan Medical Clinic** and are open every Thursday afternoon to better serve their patients. We also conduct special events for clients like free **pet care clinics**, large volume **Thanksgiving** and **Christmas** distributions, summer **camp** sponsorship and more!

This year’s 19th annual Sticky Open tournament will likely once again be our most important fundraiser, and we appreciate your participation. **We need your help supporting this great ministry so vital to community outreach!** Thank you for your kind commitment to the outreach of We Care!
