We are incredibly grateful for the faithfulness of our community that has supported what will once again be our most important fundraiser! **We need your help to make the 20th year the best yet!**

SC Secretary of State Angel Award winner Chapin We Care Center has been serving Chapin and the surrounding areas for over 36 years, with well over **90%** of donations going directly to client services!

In 2022, we served well over **\$1,500,000** worth of food to nearly **9,000** individuals! We are pleased to provide nutritious and abundant food to hungry people, both at our center and to an additional **4,500** people last year at our mobile distributions in Newberry County. But we are more than a food pantry!

In addition to food, we also provide utility assistance, distributing over **\$130,000** last year in vouchers for electricity, kerosene and gasoline. We also work with local thrift stores to provide vouchers for basic household needs. 2022 was our biggest holiday outreach ever: **950** people served Thanksgiving and gifts for **500** children at Christmas! We also celebrate **our first graduate** from our scholarship program!

In our client’s own words: **“I would be homeless and hungry with nowhere to turn without We Care that goes the extra mile to make sure that I am taken care of.”**

Help us care for more people in need – **THANK YOU!**
